## SUMMARY

- Greetings of the day!!! I am Bimal Diyal, and IT student. I am a student in 3rd semester at the Sanothimi campus. I joined in 2023 and will have ended in 2027. Being a programmer is my future aim.

## ACADEMY

**RUNNING  
BACHELOR**  
January, 2023 -  
Present

- **Sanothimi Campus , Bhaktapur**

ICTE stands for Information and Communication Technology in Education. It refers to the integration of technology into educational practices to enhance learning outcomes. From interactive whiteboards to online learning platforms, ICTE offers various tools and methods to engage students and facilitate effective teaching.

## PROJECTS

- **Web Design**

Created a personal website. To get my portfolio through GitHub or from a website([www.bimaldiyal.com.np](http://www.bimaldiyal.com.np)).
